pretty!

Hi Pretty!

We're so excited to meet you! If you keep scrolling you'll see some questions that we ask you before you schedule your hair date with us!

We have multiple levels of hairstylists to cater to your needs. Starting with our master stylists, they have been in the industry for ten plus years. Senior stylists are next, followed by stylists and junior stylists.

Send us pictures before your date or bring them with you! We love to see what inspires you.

Don't forget to get to know us by checking out our bio's and looking at our socials to find your right fit.

When you're ready to schedule, you can give us a call or book online over on the next page.

Stay Pretty xx
